Mandatory written statement by the CEC installer and designer:

I (name of Installer) was the accredited CEC Installer that completed the SGU installation at and verify that i have installed the system and that meets the following requirements. The CEC accreditation guidelines, The CEC Accreditation Code of Practice and am bound by their Code of Conduct. Have used panels and invertors approved by the CEC. Followed all of the Clean Energy Regulator's Guidelines. Have \$5M in public Liability Insurance, and the system meets the following Australian Standards, where applicable.

PV & Inverter Standards

AS/NZS 5033:2005, Installation of photovoltaic (PV) arrays
 AS/NCS 1170:2002, Structural Design actions, Part 2: Wind Action (PV Array)
 AS/NZS 5033, PV modules are compliant and the product is listed at www.cleanenergycouncil.org.au/industry/products/modules/approved-modules
 The grid connected inverter used has been tested to Standard AS 4777 and the product is listed at cleanenergycouncil.org.au

Grid connected system

AS/NZS 3000:2007, Wiring Rules
 AS 4777, this installation complies to this standard
 AS/NZS 1768:2007, Lightning Protection
 AS 4777:2005, Grid connection of energy system via inverters

Standalone System

AS/NZS 4509:2009, Standalone Power systems part 1: Safety & Installation
 AS 4086:2:1997, Secondary batteries for use with standalone power system, Part 2: Installation & maintenance, wind system
 AS/NZS 3000:2007, Wiring Rules

I verify that all local, State or Territory government requirements have been met for. (i) The siting of the unit (ii) The attachment of the unit to the building or structure. (iii) The grid connection of the system for the SGU installation. I verify that the SGU is Grid connected An Off grid installation and an electrical worker holding an unrestricted licence for electrical work issued by the State or Territory authority for the place where the unit was installed undertook all wiring of the unit that involves alternating current of 50 or more volts or direct current of 120. I confirm that the details in the above statement are correct.

Mandatory Declaration:

I am the legal owner of the above small generation unit (SGU) and assign the right to create STC's to Australian Micro Power Grids for the period stated above, commencing at the date of installation.
 I have not previously assigned or created any STC's for this system within this period.
 To claim 11 years deeming for SGU STC's must be registered within 12 months of installation I understand I am under no obligation to assign STC's to Australian Micro Power Grids, I agree to pay the STC to Australian Micro Power Grids should my assignment be invalid.
 I understand that an agent of the Clean Energy Regulator or Australian Micro Power Grids may wish to inspect the SGU within the five years of certificate redemption.
 I must retain receipts and proof of the installation date for the life of the STC's
 I am aware that penalties can be applied for providing misleading information in the form under the Renewable energy (Electricity) Act 2000.
 I further declare that the accredited CEC Installer named on this form physically attended and undertaken the installation themselves or physically attended and supervised the installation by others.

I understand that this system is eligible for STCs and in exchange for assigning my right to create these STCs, I will receive funds from the installers/suppliers.
